Using creativity, problem-solving and experimentation, our Year 10 students have been learning to use the embellishment machine to bring their textile designs to life.

It has been fantastic to see our students taking risks, exploring new ideas and producing such vibrant and imaginative work. Well done!

A vibrant poster for the Parents' Group. At the top, the words "Parents' Group" are written in large, colorful, bubbly letters on a yellow background with radiating lines. Below this, a dark blue banner with white text says "9am to 10.30am Every Monday". Underneath the banner, a yellow ribbon contains the text "At Boys' Model School". The middle section features four icons with corresponding text in colored speech bubbles: a steaming cup of coffee and a pink cup with the text "Tea and coffee provided"; a glowing lightbulb with the text "Sharing ideas"; a school building with a clock and flag with the text "Find out what's happening in school"; and three stylized people with a heart above them with the text "Meet other parents and carers". Below these, on the left, is the text "Support Share Be part of our school community" next to a small pink heart. At the bottom, an illustration shows four diverse people (two men and two women) sitting around a table, smiling and holding cups. A dark blue banner at the very bottom features the Boys' Model School crest on the left, the text "Boys' Model School" in the center, and the phrase "Together we make a difference" on the right with radiating lines.
