PARENT BULLETIN

31ST AUGUST 2026

A message from our principal

Welcome back – we are delighted to see the boys after the summer and trust that they have remained safe and well. Please let your son's form teacher know if anything has changed or if there are issues you feel would help us support him better.

We had a great set of GCSE and A level results in August, our best yet. 81% of boys achieved 3 A*–C A levels. Last year, at 80%, we were the 3rd highest performing non grammar school in NI, so we are excited to see where we'll be this year.

At GCSE, an amazing 62% of boys achieved 5A*–C including English & Maths – a school like ours in NI would be expected to get 49% so we are performing well above expected. The boys, ably supported by you, have done so well and we are immensely proud of every one of them.

Thanks for your support. Your involvement in your son's education is a big factor in helping him achieve success.

M Montgomery
