IMPORTANT NOTICE ABOUT FREE SCHOOL MEALS FOR ALL PUPILS FROM OUR PRINCIPAL MRS MONTGOMERY

You will be aware of recent increases in the cost of school meals. This has meant a big increase in the cost of providing free meals to all of the boys. This is not affordable long term. I am hugely frustrated by these changes, as I strongly believe every pupil should have access to a free, nutritious meal during the school day.

I continue to source funding to cover the cost of feeding the boys, but I will have to review the costs in February and let you know whether I can continue to provide free meals to all boys after half term.

20 APPS PARENTS & CARERS NEED TO KNOW

www.SocialWorkersToolbox.com

 Snapchat Messages and photos disappear. Children can be pressured to send images because they believe they will not be saved. Location sharing can show where a child is in real time.	 Roblox Although it looks like a children's game, it includes chat features. Children can be contacted by strangers and slowly groomed through friendly game play.	 Kik Messenger Accounts can be anonymous. It is often used to move conversations away from apps parents may check.	 Fortnite Voice chat allows children to talk to strangers during games. Language and behaviour are often inappropriate.
 TikTok Children can see adult content, receive sexual comments, and be contacted by strangers. Live videos allow real-time interaction, which can quickly become unsafe.	 Telegram Messages and groups are encrypted, making them difficult to monitor. It is used to share sexual images, harmful material, and to keep conversations hidden from adults.	 Hoop The app connects directly to Snapchat and encourages children to add new contacts quickly, including people they have never met.	 Reddit Children can easily access sexual, violent, or extreme material through posts and comments.
 Instagram Messages allow strangers to contact children directly. Many children run secondary accounts that parents do not know about. There is strong pressure around appearance and popularity.	 OmeTV Random video chats with strangers. No effective safeguarding. Sexual content and adult behaviour are common. Children have no control over who appears on screen.	 LiveMe Children can broadcast themselves live to anyone watching. Viewers can comment in real time, including adults.	 BeReal The app prompts children to take photos instantly, which can lead to oversharing without thinking about safety.
 WhatsApp Private chats and group chats are often used for school or friendship groups, but bullying, exclusion, and sharing of images can happen quickly and spread widely.	 Yubo The app is designed to meet new people. Children can live stream and chat with strangers, which can quickly become sexual or exploitative.	 Calculator+ These apps look like calculators but are used to hide photos, videos, and messages from parents and carers.	 Twitch Children watch and interact with live streamers through chat, which often includes adults and unmoderated comments.
 Discord Children join private chat servers linked to gaming or interests. These spaces are often unmoderated and can include adults, sexual content, or harmful language.	 Monkey Children are placed into random video chats with people they do not know. They have no control over who appears on screen.	 YouTube Children can be exposed to adult content through suggested videos, comments, and live streams, even when watching innocent clips.	 Bumble This is a dating app. Despite age limits, some under-18s access it to talk to adults looking for relationships.

Careers Information

Y12 Careers Guidance Interviews

Y12 Careers Guidance Interviews with the NI Careers Service will be taking place this week. Your son will be informed of his interview day and time by his Form Teacher.

Y13 Careers

All Y13 pupils will complete their Mock Interviews on 3rd and 4th February 2026 at the BT Building. This is a fantastic event and provides pupils with a real-life experience to prepare them for the future. All pupils must have submitted their CV and Cover Letter to their Careers Teacher before Christmas in preparation for this. Pupils will be fully prepared for this in their Careers lessons in school. This is a compulsory event and part of our Careers Education Curriculum. If you have any questions about this, please do not hesitate to contact Mrs Ryan nryan320@c2ken.net

Y14 Careers

Y14 have been encouraged to have as many options available to them in August 2026, this will provide them with choice and control over their future. Please encourage your son to apply for some of the apprenticeships currently on offer if he is not considering university as his first choice.

Apprenticeships (Y12, Y13 and Y14)

Thales have released a number of Apprenticeships from Level 2- Level 6. Applications are now open with expected closing date on 12th February 2026. However, it may close earlier if they are oversubscribed. Information on the apprenticeships can be accessed on the link below:
