PARENT BULLETIN

23RD MARCH 2026

Huge congratulations to three Year 11 pupils – Jaiden, Scott & Tristian! On Saturday, they travelled to Limerick as part of the South Belfast Youth League Selects team and brought home an incredible achievement...they won the Inter League Cup!

The boys have shown outstanding determination, teamwork and commitment – they worked so hard for this result and we are extremely proud of them.

Dates for your diary

Years 8–10

Finish for Easter on **Wednesday 25th March** at 3.20pm.

Years 11–14

Easter School for all **Thursday 26th and Friday 27th March**.

Easter School will have structured revision sessions in each subject area. Timetables for Easter School are enclosed. These sessions are always helpful in boosting boys' exam performance in May/June.

Years 11–14 Revision sessions

Monday 30th and Tuesday 31st March and Wednesday 1st April. Individual pupils have already been informed if they are expected to attend on these dates.

School will recommence for all pupils on Monday 13th April.

Key dates for Term 3

The Education Minister has allocated 2 additional staff training days to all schools. To reduce disruption, we have grouped them together to give boys a week off in May.

Monday 25th May – Bank Holiday

Tuesday 26th – Friday 29th May – Staff Days (ONLY pupils sitting GCSE/A level exams to attend).

This arrangement provides families with the opportunity to plan a holiday at a more affordable time, outside the traditional summer months. Please help us to support your son **by avoiding taking him out of school for a family holiday at any other time.**

Attendance and Attainment

Over the past couple of weeks, we have held special assemblies with all year groups to reinforce an important message: **strong attendance is directly linked to strong academic outcomes**. Missing even a small number of days can have a significant impact on progress, confidence, and overall achievement. Respectfully, we ask for your continued support in ensuring that your child attends school every day and does not develop the habit of treating the school week as optional or operating a "four-day week". Consistent attendance is essential in helping them reach their full potential.

Meningitis - know the symptoms

Symptoms of meningitis develop suddenly and can include:

Fever (over 37.5C)

Vomiting

Headache /Stiffness

Confusion

Rash

Dislike of
bright lights

Fatigue

Seizures (fits)

If you become worried about yourself, your child, or a friend, particularly if symptoms are getting worse, seek medical help urgently.

MenACWY vaccine

Pupils in year 11 and 12, are offered the MenACWY vaccine in school. The vaccine helps protect young people against four different causes of meningitis and septicaemia: meningococcal groups A, C, W and Y disease. If you're aged 25 or under, at university and haven't yet had the MenACWY vaccination, you should ask your GP for the vaccine.

There are other types of meningitis that there are no vaccines against, so it is important to still watch out for the signs and symptoms.
