5th January 2022

Dear Parent

Happy new year, I trust this letter finds you well.

The spread of Omicron will, no doubt, put pressure on staffing over the coming months. Currently, we have a significant number of staff absent but are able to manage. If this number increases, it is my intention to keep school open and, only if absolutely necessary, move to a rotation of year groups working at home on MS Teams for 1 day per week. I will keep you informed.

Bus Services

You may be aware from media reports that Translink is experiencing staff shortages and this is having an impact on their bus services. There were serious delays for our special buses on Tuesday afternoon. Translink has assured us they will do their best to prioritise school services, although it may mean delays.

I am keen that the boys do not miss out on their learning and that we continue with the important work of preparing for and sitting exams in Term 2.

Target Setting Interviews – Thursday 13th and Friday 14th January (No classes run on these dates)

These meetings with form teachers, pupils and parents are vitally important in setting targets for the February exams. They will be held virtually using a platform called School Cloud. You can book an appointment with your son's form teacher. (However, if 2 teachers register his form class in the morning, please only book with the teacher who takes him for Pastoral Period). I have attached a help guide to show you how to book. Appointments will be allocated on a first come first served basis.

You will need to following details to create an account:

- Parent's Title
- Parent's First Name
- Parent's Surname
- Student's First Name
- Student's Surname
- Student's Date of Birth

Click on this link to book appointments <https://belfastboysmodel.schoolcloud.co.uk/>

If you do not have an email address, please use your son's c2k email.

Appointments can also be made through the link in the "For Parents- Communication" section of the BBMS website.

If you get an error message it may be that we do not have your (Parent) first name on SIMS. Please let us know and we can easily fix this for you.
