2 April 2019

Dear Parent/Guardian

As we approach the end of your son's first year of GCSE study, our focus is very much on your son achieving his potential in the external modules he will complete in the summer. We are committed to supporting and guiding him to do his very best.

### **Revision**

The Easter Holidays provide a good opportunity for your son to complete revision. The school website, [www.bbms.org.uk](http://www.bbms.org.uk) has excellent resources including booklets 'Learning to Learn' and 'Tips for Revision' in the Parent and Pupils' sections. Please don't hesitate to contact Mr Doherty should you require any additional help in ensuring your son is well prepared for these vitally important exams.

School will finish on Tuesday 16 April for the Easter. However, on **Monday 15 April and Tuesday 16 April** only some boys are required to be in school for timetabled sessions throughout both days. You will receive a text indicating that your son is required to be in attendance. A free break and lunch will be provided and boys should wear school uniform. This is a key time in our preparations for the GCSE exams and I would ask you to encourage your son to remain focused in the few short weeks that remain.

### **Term 3**

School will begin again on Monday 29 April.

Our key priority at this time of year is that your son achieves his potential. If there is anything that you feel we can do to support you both, please do not hesitate to get in touch.

### **Tell us what you think...**

Recently, you will have received your son's annual report and attended the Target Setting Interviews. The report is in a new format and we would welcome your views. A 'link' to a survey will be text to you in the coming weeks, providing you with an opportunity to tell us what you think.

Yours sincerely

**Principal**  
**M Montgomery**
