

BELFAST BOYS' MODEL SCHOOL

Founded 1857

PLANNING A SUCCESSFUL FUTURE 2024

Key Stage 4 Options
for Year 10 Students

Life at Belfast Boys' Model School

Year 10 Subject Options

So far in your school career, you have had no choice about which subjects you study. Through the National Curriculum, the government tells us exactly what we must teach you until the end of Year 10. However, in Years 11 and 12, you are allowed much greater flexibility to choose the subjects that you would like to study.

The decisions you make will depend on:

1. Subjects you enjoy and are interested in
2. Your academic strengths
3. Your career interests

Choosing the right options for you is vitally important. Experience tells us that students who make well-informed option choices improve their examination success rates and increase their enjoyment of school.

There is another group of people who know you better than anyone else and are well placed to advise you: your parents and carers. It is essential that you discuss your thoughts about which options you wish to choose with your family so that they can help you make the right decisions for yourself and a successful future.

KS4 Subject Choice Timescale 2024

If you wish to discuss the content of any subject, please contact me by email -
kdeehan546@c2ken.net

In school we will take you through this process to ensure you understand it clearly and then you will complete your choices at home on an MS Form uploaded to your Yr10 MS Team.

In each round of voting:

1. The link to the Subject Choice Survey will be uploaded to your Year 10 MS Team.
2. You will access the Year 10 MS Team at home with your parents & look at each survey.
3. Discuss all the options with your parents.
4. Follow the instructions to complete the survey.
5. Complete the Subject Choice Survey by the date stated.

You will be able to click directly into the survey from your Year 10 MS Team and a link that can be copied and pasted will be sent via text & Parent App.

Week Beginning 19th February

- Careers Convention – 40+ employers & Higher & Further Education providers will be in attendance

Week Beginning 26th February

- Careers in STEM (Science, Technology, Engineering & Maths) presentation to all pupils
- Year 10 Subject Choice fair – pupils can speak to Yr11 & 12 pupils studying each subject

Week Beginning 4th March

- New subject presentations in Assembly
- Parental Consultation, 7th March
- First round of voting – open vote, pupils must choose 4 subjects

Week Beginning 11th March

- Individual pupil interviews to support subject choices with Senior CEIAG Team
- Final round of voting - subjects will be in blocks

Any parent queries please contact Mrs Deehan, SLT Progression - Kdeehan546@c2ken.net

Boys will be guided through this process each step of the way. Guidance will be also be added in PDF format to the school website – For Parents – Subject Choices 2024

Overview of the Key Stage 4 Curriculum

Core Subjects

Whilst you will have the opportunity to choose which subjects you would like to study in Years 11 and 12 there are some subjects which remain. They will help to maintain a balanced and broadly-based curriculum.

- GCSE English and GCSE English Literature (depending on aptitude in Year 10 English)
- GCSE Mathematics and GCSE Statistics (depending on aptitude in Maths in Year 11)
- GCSE Learning for Life and Work or equivalent Level 2 course.
- Religious Education (non-exam/short course. This is also available as an option – Full Course Religious Studies)
- Physical Education

You are able to add four other subjects that you would like to study to the above list. The courses on offer to your year group are contained in this booklet.

Please bear in mind...

As a school, we will try to meet your subject requests, but if too few students opt for any one subject, it may not run. Similarly, if too many people opt for one subject, we may not be able to offer everyone a place.

You will have lots of opportunities to discuss any subject choice issue that arises with a member of staff from the school's Careers Advice Team.

Choosing your Subjects

Do

Choosing the right subjects is vitally important. We suggest, therefore, that you follow these steps:

1. Think carefully about what you want to do after Year 12. What subjects might be most useful to you if you want to continue into the Sixth Form, want to go onto Higher Education, e.g. Ulster University, or Queen's University, Belfast, find an apprenticeship, or attend a Further Education college, e.g. Belfast Met.?

2. If you have a particular career in mind, find out what qualifications you will need to follow it. You could check out the information in the Library, the internet on sites such as 'www.careersserviceni.com' or use Unifrog.

3. Think about the subjects you already do:

- What are your class test and common assessment scores like?
- Do you enjoy it?
- Are you interested in it?
- Do you think it will be useful in your future study or future career?
- Does the style of assessment suit you, for example, are you better at coursework or exams?

4. Find out about the new subjects that you haven't tried yet.

5. Talk your plans over with your relatives, your teachers and anyone else you think can help.

6. Take plenty of time to make a decision.

7. Read the information about the subjects in this booklet.

How to avoid making a mistake

Do not

- Make your decision quickly without finding out anything about the courses being offered.
- Choose exactly the same subjects as your best friend! (It is unlikely you would be in the same lessons anyway.)
- Choose a subject because you like the teacher! (He/she may well not teach you at Key Stage 4)

PLEASE CONTACT US AT ANY STAGE IF YOU HAVE QUESTIONS ABOUT SUBJECTS OR THE SUBJECT CHOICE PROCESS.

K DEEHAN, SLT PROGRESSION - KDEEHAN546@C2KEN.NET

Compulsory Subjects

ENGLISH LANGUAGE

CCEA, 1 GCSE

Course Content

All pupils study GCSE English Language. It is made up of 4 units:

Unit 1: Writing for Audience and Purpose and Reading to Access Non-Fiction and Media Texts (Written Exam)

Unit 2: Speaking and Listening (Controlled Assessment)

Unit 3: Studying Spoken and Written Language (Controlled Assessment)

Unit 4: Personal or Creative Writing and Reading Literary and Non-Fiction Texts (Written Exam)

Skills Developed

- Structuring arguments
- Negotiating
- Sequencing
- Developing language skills
- Listening Skills
- Running Meetings
- Independent Study Skills
- Develop creative, individual responses to problems
- Selecting and adapting speech and writing to different situations and audiences.

How it is Assessed

Unit 1 Exam = 30%

Unit 2 Controlled Assessment Speaking and Listening (3 tasks) = 20%

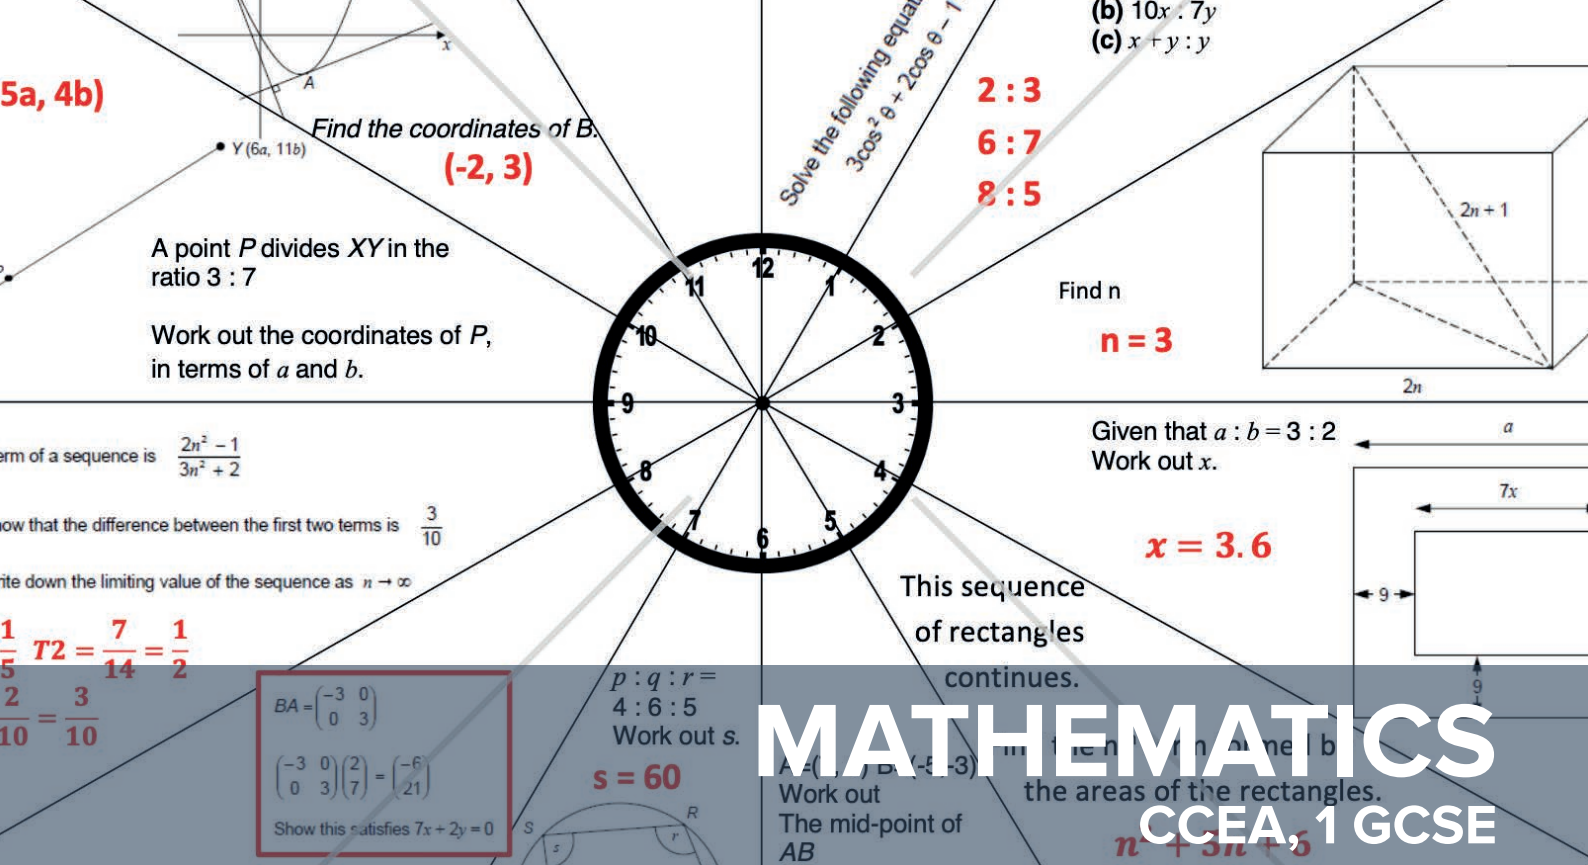

Unit 3 Controlled Assessment (2 written tasks) = 20%

Unit 4 Exam = 30%

Associated Careers

Most jobs ask for Literacy Skills in GCSE English Language.

All jobs where you need to read, write and communicate with others.

MATHEMATICS

CCEA, 1 GCSE

Course Content

Foundation Tier:
Unit M2 and M6

Higher Tier:
Unit M3/M4 and M7/M8

All units consist of:

- Number and Algebra
- Geometry and Measures
- Handling Data

- ### Skills Developed
- Developing fluent knowledge, skills and understanding of mathematical methods and concepts.
 - Selecting and applying mathematical techniques to solve problems.
 - Reasoning mathematically and drawing conclusions.

How it is Assessed

Units M2/3/4
Exam - 45%
(with calculator)

Units M6/7/8
Exam – 55%
Each of these units is broken into 2 papers, taken on the same day, one after the other
Paper 1 no calculator
Paper 2 with calculator

Associated Careers

- Accountancy
- Architecture
- Data Analyst
- Economist
- Engineering
- Financial Banker
- Insurance Underwriter
- Quantity Surveyor
- Software Developer
- Statistician
- Teaching

PUBLIC SERVICES

BTEC FIRST AWARD, 1 GCSE

Course Content

Unit 1 - The Role and Work of the Public services

Unit 2 - Working Skills in the Public Service Sector

Unit 4 - Public Services and Community Protection

Unit 5 - Health, Fitness and Lifestyle for the Public Services.

- Decision-making
- Self-development
- Using ICT
- Analyse & interpret information

How it is Assessed

75% Portfolio work, continually assessed over 2 years

25% External Examination

Associated Careers

- Army
- Navy
- RAF
- Ambulance Service
- Prison Service
- PSNI
- Fire Brigade
- Education
- Health Service
- Social Services
- Environmental Health
- Housing Service
- Probation Service
- Youth Service
- Charity / Voluntary work
- Prison Service

Skills Developed

- Communication
- Presentation
- Research
- Evaluating
- Co-operation
- Conflict Management
- Problem Solving
- Literacy
- Teamwork
- Self – evaluation
- Discussion
- Improving confidence
- Presentation skills
- Being creative
- Planning

PERSONAL SUCCESS AND WELL-BEING

OCN, LEVEL 2 CERTIFICATE, 1 GCSE

Course Content

Equivalent to 1 GCSE

10 units as follows:

Unit 1: Understanding Team Work Skills

Unit 2: Prejudice and Discrimination

Unit 3: Understanding Healthy Lifestyles

Unit 4: Understanding Individual Rights and Responsibilities

Unit 5: Exploring Own Personal Identity

Unit 6: Participating in a Personal Wellbeing Enrichment Activity

Unit 7: Exploring Cultural Identity

Unit 8: Improving Confidence and Self Esteem

Unit 9: Managing Risk

Unit 10: Exploring Relationships

Skills Developed

This course will:

- Give students a background of knowledge and understanding in relation to personal, social and health education and the world of work
- Encourage students to apply their knowledge and understanding in making decisions
- Promote self-development, through encouraging students to be aware of their own strengths and areas for improvement and the choices and opportunities available to them

- Learners will be required to take part in Mock Interview Scenarios as well as producing documents relevant to themselves such as CV's, letters of application, and covering letters to help prepare them for the World of Work

How it is Assessed

100% Portfolio

B Grade or Fail

Associated Careers

This is a general subject which encourages skill development suitable for all areas of employment, but is not specific to any career path.

Optional Subjects

ART & DESIGN

1 GCSE, OCR

Course Content

1 Coursework Unit

Production of a portfolio and final outcome

1 Examination Unit

External set assignment

Skills Developed

- Observation
- Research
- Drawing
- Painting
- Printing

How it is Assessed

60% = Assessment of Portfolio

40% = Assessment of Exam piece

Associated Careers

- Website Designer
- Game Designer
- Film Animation
- Product Design
- Advertising Industry
- Tattooist
- Painter
- Interior Design
- Architect
- Garden Designer
- Furniture Designer
- Textile Designer
- Fashion Designer
- Fine Artist
- Jeweller
- Sculptor
- Cartoonist
- Print Maker
- Art Teacher
- Animator
- Theatre Set Design
- Film Prop Maker & Costume Design
- Art Historian
- Museum Curator

SKILLS FOR BUSINESS

OCN LEVEL 2, 1 GCSE

Course Content

Mandatory Units

- Customer Service for Business (3credits)
- Understanding Sources of Finance and Cashflow (3credits)

Optional units

- Effective Communication Skills in the workplace (3credits)
- Understanding Employment Legislation, Contracts and Pay (2 credits)
- Understanding Recruitment and Selection (4 credits)

Knowledge of Business Skills through:

- Financial management skills
- Marketing skills
- Customer service
- Project management and planning
- Networking
- Job Application skills
- Interview skills

How it is Assessed

100 % coursework with continuous assessment
Assessment Grade B or a Fail

Associated Careers

Students can take this course to complement other Level 2 courses such as Travel and Tourism or IT.

Careers include:

- Law
- Finance industries
- Insurance or management industries
- Teaching
- Advertising
- Banking
- Retail management
- Marketing

Skills Developed

Transferable Skills:

- Communication and negotiation skills
- Leadership skills
- Delegation and time management
- Problem solving
- Team Building skills
- Analytical skills

DIGITAL TECHNOLOGY MULTIMEDIA PATHWAY

1 GCSE, CCEA

Course Content

Unit 1: Digital Technology (Mandatory Coursework)

- 1-hour external written examination
- Value of unit 30%

Unit 2: Digital Authoring Concepts

- 1 hour 30 mins external written examination
- Value of unit 40%

Unit 3: Digital Authoring Practice

- Controlled Assessment
- Value of unit 30%

How it is Assessed

Unit 1: 30% Digital Technology

- Mandatory Coursework
 - Written examination
- (end of Year 11)

Unit 2: 40% Digital Authoring Concepts

- Written examination
- (end of Year 12)

Unit 3: 30% Digital Authoring Practice

- Controlled Assessment

Associated Careers

- Computer Operator
- User Support Manager
- IT Software Trainer
- Web Designer
- Web Analyst
- Graphic Designer
- Architect
- Accountant
- Software Engineer
- ICT Teacher
- ICT Technician
- Games Software Designer
- Engineer

Skills Developed

- An independent user of ICT
- Acquire and apply creative and technical skills
- ICT skills in Microsoft Office Software
- ICT skills in Adobe Software
- Graphic design skills
- Animation software to produce animations
- Web authoring software for the design and creation of websites
- Multimedia software to create videos and music
- Computer systems learning about how PC and Mac computers function
- Games Technology

DIGITAL TECHNOLOGY - PROGRAMING PATHWAY

1 GCSE, CCEA

Course Content

Unit 1: Digital Technology (Mandatory External Exam)

1hour external written examination

Value of Unit 30%

Unit 4: Digital Development Concepts (Mandatory External Exam)

1hour 30 minutes external written examination

Value of Unit 40%

Unit 5: Digital Development Practice

Controlled Assessment

1hour external written examination

Value of Unit 30%

How it is Assessed

Unit 1: External Examination

Value of unit: 30%

Unit 4: External Examination

Value of unit: 40%

Unit 5: Controlled Assessment

Value of unit: 30%

Associated Careers

- Software Developer
- Systems Analyst
- Game Design Programmer
- Software Tester
- Web Developer
- Video Game Developer
- Data Scientist
- Solutions Architect

Skills Developed

- Fluency in a programming language
- Debugging and problem-solving skills
- Communication skills
- Teamwork/collaboration
- Research
- Creativity
- Attention to detail
- Analytical skills
- Problem-solving
- Games Technology

ENGLISH LITERATURE

1 GCSE, CCEA

Course Content

The Literature course offers the opportunity to study a range of writing from a mix of local and modern writers.

Unit 1: (External Exam) - The Study of Prose - "Of Mice and Men" and unseen prose.

Unit 2: (External Exam) - The study of Drama and Poetry

- Blood Brothers
- CCEA poetry anthology

Unit 3: (Controlled Assessment) - Shakespeare

Skills Developed

- Development of sophisticated language skills
- Analysis
- Structuring arguments
- Technical Accuracy
- Sequencing
- Sensitive reading / comprehension
- Imaginative and creative writing
- Sound basis for progression to further study, higher education or employment

How it is Assessed

Unit 1 – Exam 30%

Unit 2 – Exam 50%

Unit 3 – Controlled Assessment 20% – "Macbeth"

Associated Careers

- Teaching / Lecturing
- Journalism
- Barrister / Solicitor
- Press Officer
- Editor / Sub-Editor
- Librarian
- Politics
- Broadcasting
- Researcher
- Writer / Author
- Management
- Advertising

* Please note this will not take up a choice, but it will be offered to pupils who display the necessary aptitude for English in Year 10 English.

ENGINEERING

BTEC, FIRST AWARD, 1 GCSE

Course Content

Mandatory Units

- Unit 1: The Engineered World
- Unit 2: Investigating an Engineering Product

Optional Units (2 of the following)

- Unit 3: Health and Safety in Engineering
- Unit 4: Engineering Maintenance
- Unit 5: Engineering Materials
- Unit 6: Computer-aided Engineering

Skills Developed

- Communication
- Self-evaluation and Self-Management
- Presentation
- Evaluation
- Creativity
- Working with Others
- Decision Making
- Planning
- Problem Solving
- Literacy
- Numeracy Skills

How it is Assessed

Mandatory Units

- **Unit 1:** The Engineered World
External examination, 25%
- **Unit 2:** Investigating an Engineering Product
Internal Assessment, 25%

Optional Units

- **Internal Assessment, 50%**

Associated Careers

- Manufacturing
- Construction
- Architecture
- Landscape Architect
- Construction Engineer
- Mechanical Engineer
- Civil Engineer
- Systems Engineer
- Quantity Surveyor
- Engineering Technician
- Chartered Engineer
- Urban Planner

FOOD & NUTRITION

1 GCSE, CCEA

Course Content

Units

1. Food and Nutrition
2. Practical Food and Nutrition

Topics include – Food processing, Health Issues, Nutrients, Dietary Needs, Consumerism, Food Safety, Food Preparation, Cooking and Presentation Skills.

How it is Assessed

50% Exam

50% Controlled Assessment

Associated Careers

- Food Technologist
- Dietician
- Nutritionist
- Restaurant Manager
- Chef
- Army Catering
- Hotel Manager
- Bartender
- Cake Decorator
- Leisure Industry
- Tourist Industry
- Food Processor
- Barista

Skills Developed

- Interpersonal
- Practical
- Teamwork
- Numeracy
- Literacy
- Organisation
- Presentation
- Independence
- Communication

FURTHER MATHEMATICS

1 GCSE, CCEA

Course Content

- Pure Maths
- Mechanics
- Statistics

Associated Careers

- Accountant
- Architect
- Engineer
- Statistician
- Financial Advisor
- Market researcher

Skills Developed

- Use mathematical techniques in real world settings.
- Reason mathematically.
- Interpret and communicate mathematical information.

How it is Assessed

100% Examination

Unit 1 – Pure Maths (50%)

Unit 2 – Mechanics (25%)

Unit 3 – Statistics (25%)

GEOGRAPHY

1 GCSE, CCEA

Course Content

Unit 1 – Understanding our Natural World

4 topics studied:

- River Environments
- Coastal Environments
- Our Changing Weather and Climate
- The Restless Earth

Unit 2 – Living in our World

4 topics studied:

- Population and Migration
- Changing Urban Areas
- Contrasts in World Development
- Managing our Environment

Unit 3 – Fieldwork

Pupils are involved in the collection of fieldwork data at a local river looking at differences from the source to the mouth.

- Map Work
- Data Handling
- Problem Solving
- Research

How it is Assessed

100% Exam

Unit 1 - 40%

Unit 2 - 40%

Unit 3 - 20%

Associated Careers

- Pilot
- Town Planning
- Meteorologist
- Surveyors
- Architect
- Teacher
- Environmental Consultant
- Market Research
- Journalist
- Leisure & Recreation Work
- Landscape Architecture
- Civil Engineering
- Marketing

Skills Developed

- Communication
- Literacy
- Numeracy
- Presentation
- Self-management
- Analytical
- Teamwork

GOVERNMENT & POLITICS

1 GCSE, CCEA

Course Content

Unit 1: Democracy in action

- Dictatorship and democracy
- Parliament and Stormont
- Elections and voting
- The Media
- Pressure Groups
- Political Parties

Unit 2: International politics in action

- Conflict and co-operation between nations
- Conflict and terrorism
- United Nations and NATO
- Northern Ireland: The Troubles and their aftermath
- Migration and human trafficking

Skills Developed

- Working with Others
- Problem Solving
- Debating Skills
- Analysing the Media
- Using ICT
- Communication Skills
- Self-Management
- Research

- Independent Thinking
- Presentation Skills

How it is Assessed

One exam at the end of Year 11 - 50%

One exam at the end of Year 12 - 50%

Associated Careers

- Civil Service
- Teacher
- Actor
- Journalist
- Lawyer
- Education Officer
- Youth Worker
- Social Worker
- Probation Officer
- Police Officer
- Public Relations
- Prison Officer
- TV Producer
- Politician
- General Manager
- Marketing Executive
- Sales Manager
- Charity Worker

HOSPITALITY & CATERING

BTEC FIRST AWARD, 1 GCSE

Course Content

Variety of Units looking at the scope of the Hospitality and Catering Industry and the products, services and support.

Skills Developed

- Interpersonal
- Practical
- Teamwork
- Numeracy
- Literacy
- Organisational
- Presentation
- Communication

How it is Assessed

25% - Examination
75% - Portfolio

Associated Careers

- Nutritionist
- Restaurant Manager
- Chef
- Army Catering
- Hotel Manager
- Bartender
- Cake Decorator
- Leisure Industry
- Tourist Industry
- Food Processor
- Barista
- Dietician

HISTORY

1 GCSE, CCEA

Course Content

Year 11 (Paper 1) - 60%

N Ireland & It's Neighbours

1965-1998

- Civil Rights
- Violence in 1969
- Internment and Bloody Sunday
- Hunger Strikes
- Downing Street Declaration
- Good Friday Agreement

Germany 1933-45

- Hitler takes control
- Life for workers, women and the young
- Germany at war

International Relations 1945-2003

- Communism and Capitalism
- Berlin, Hungary, Czechoslovakia
- Korean War, Vietnam War, Cuban Missile crisis
- War in Afghanistan and Iraq

Skills Developed

- Source evaluation
- Analysis and Interpretation
- Understanding the past
- Cultural Awareness
- Written Communication skills

How it is Assessed

2 Modular Papers 100% Examination

- June of Year 11 (NI and Germany)
- June of Year 12 (Cold War)

Associated Careers

- Journalist
- Solicitor
- Tourism Officer
- Town Planner
- Actor
- TV / Radio / Media Researcher
- Set / Costume Design
- History Teacher

IT APPLICATIONS

OCN LEVEL 2, 1 GCSE

Course Content

Unit 1: Digital Technology

- Controlled Assessment (Credit value: 3)

Unit 2: Email Software Skills

- Controlled Assessment (Credit value: 3)

Unit 3: Multimedia Software

- Controlled Assessment (Credit value: 4)

Unit 4: Presentation Software

- Controlled Assessment (Credit value: 2)

Unit 5: Word Processing Software

- Controlled Assessment (Credit value: 3)

Skills Developed

- An independent user of ICT
- Acquire and apply creative and technical skills
- ICT skills in Microsoft Office Software
- ICT skills in Adobe Software
- Graphic design skills
- Animation software to produce animations
- Web authoring software for the design and creation of websites

- Multimedia software to create videos and music
- Computer systems learning about how PC and Mac computers function
- Games Technology

How it is Assessed

All units are assessed through portfolios / coursework.

- No Written Examination
- 5 controlled assessments are required
- All 5 units equal a credit value
- Assessment Grade B or Fail

Associated Careers

- Computer Operator
- User Support Manager
- IT Software Trainer
- Web Designer
- Web Analyst
- Graphic Designer
- Architect
- Accountant
- Software Engineer
- ICT Teacher
- ICT Technician
- Engineer
- Game Software Designer

MEDIA STUDIES

WJEC, 1 GCSE

Course Content

The units you study will involve the following:

Unit 1 - Exploring the Media

Section A: Representations – Video games, advertising and newspapers

Section B: Music Videos

Unit 2 - Understanding TV and Film

Section A: **Television**

Section B: **Film**

Unit 3 - Creating media

Creating a Media Product

How it is Assessed

Unit 1: 30% of qualification, written examination

Unit 2: 30% of qualification, written examination

Unit 3: 40% of qualification, non-examination

Associated Careers

- Film
- TV
- Games
- Magazines
- Newspapers
- Radio
- Video Production
- Presenting
- Directing
- Cameraman
- Advertising
- Event Management
- Public Relations
- Journalism
- Theatre
- Photography
- Digital Imaging and Graphic Design

Skills Developed

Pupils will develop skills in the use of:

- Digital compact cameras
- Digital SLR
- Digital video cameras
- Adobe Photoshop
- Adobe InDesign
- Microsoft Word
- Microsoft PowerPoint
- iMovie
- Adobe Premier

MUSIC

1 GCSE, CCEA

Course Content

The units you study will involve the following:

- **Component 1: Performing and Appraising**
- **Component 2: Composing**
- **Component 3: Listening and Appraising**

Skills Developed

Pupils will develop skills in the use of:

- Communication
- Self-confidence
- Presentation
- Evaluation
- Creativity
- Resilience
- Teamwork

How it is Assessed

Performing & Appraising:

Performances: 30% (1 solo & 1 ensemble) &
Discussion: 5% **Total: 35%**

Composing:

2 Compositions: 30% (1 based on pre-released stimulus & 1 free choice)

Listening & Appraising:

External written examination: 35%

Associated Careers

- Musician
- Peripatetic Music Teacher
- Teacher
- ICT related jobs
- Video Game Designer
- Music Publisher
- Social Media Marketer
- Sound/Lights Technician
- Radio Presenter
- Music Promoter
- Music Journalist
- Live Audio Technician

PERFORMANCE SKILLS

(CREATIVE ARTS & DIGITAL TECHNOLOGIES)

OCN LEVEL 2 CERTIFICATE, 1 GCSE

Course Content

Unit 1:

Performance Realisation Skills – Performer

This unit will enable the learner to demonstrate performance realisation skills. Pupils will learn and develop musical skills as a performer using DJing, singing, guitar or drumming.

Unit 2:

Undertaking a Solo Performance

This unit will enable the learner to understand how to perform as a soloist on their chosen instrument. They will describe the importance of practice for improvement, develop and carry out a practice schedule over a given period, rehearse using technical skills and perform a rounded performance.

Skills Developed

- Being creative
- Improving confidence
- Working with others
- Decision making
- Self-management
- Analytical skills
- Numeracy
- ICT skills
- Communication skills

- Problem solving
- Flexibility
- Managing information
- Performance skills

How it is Assessed

100% Internally Assessed Portfolio

Associated Careers

- ICT related jobs
- Video Game Designer
- Club Manager
- Music Publisher
- Social Media Marketer
- Sound/Lights Technician
- Radio Presenter
- Music Promoter
- Cover Art Designer
- Music Journalist
- Studio Management
- Stage Management
- Tour Management
- Midi Programmer
- Broadcast Journalist
- Product/Engineer
- DJ
- Live audio Technician

PERSONAL DEVELOPMENT & EMPLOYABILITY

PRINCE'S TRUST, 2/4 GCSEs

Course Content

Units undertaken include:

- Career Planning
- Community Impact
- Customer Experience
- Experiencing the World of Work
- Managing Money
- Personal Development
- Preparing for the World of Work
- Project Based Learning
- Sustainability
- Undertaking an Enterprise Project
- Wellbeing

How it is Assessed

100% Coursework

Assessed by portfolio – no exam

Certificate = 3 GCSEs

Diploma = 4 GCSEs

Associated Careers

- Financial field
- Charity and volunteering
- Creative sectors
- STEM based employment, including ICT, environment and agriculture Hospitality and service industries
- Healthcare
- Leisure, tourism and sport
- Media and the internet
- Administration
- Retail & sales

Skills Developed

- Literacy
- Numeracy
- Organisational
- Teamwork
- Communication
- ICT
- Self-management
- Financial management
- Presentation

RELIGIOUS STUDIES

1 GCSE, CCEA

Course Content

Year 11:

Philosophy of Religion:

The existence of God; The nature of God; The problem of evil and suffering; Experiencing God; Life after death.

- analyse and evaluate multiple perspectives
- explore unfamiliar views without prejudice

How it is Assessed

100% Exam

Associated Careers

- Social Work
- Youth and Community Work
- Emergency Services
- Security Forces
- Police
- Law
- Teacher
- Probation Officer
- Airline Staff
- Journalism
- Market Research
- Clergy

SCIENCE SINGLE AWARD

1 GCSE, CCEA

Course Content

This course comprises 4 units completed over 2 years:

Unit 1: Biology (25%)

Unit 2: Chemistry (25%)

Unit 3: Physics (25%)

Unit 4: Practical Skills (25%)

Associated Careers

- Physiotherapy
- Nursing
- Occupational Therapy
- Engineering
- Civil Service
- Technical Support
- Software Design
- Personal Training

****Single Award Science does not provide a foundation for studying A Level Science. but it is valued by employees.***

Skills Developed

- Knowledge of the material, physical and living worlds
- Communicating the nature of science and its applications
- Practical, enquiry and problem-solving skills
- Skills in communication, mathematics and the use of technology in scientific contexts

How it is Assessed

3 x 1 hour written examinations

(Biology, Physics and Chemistry)

1 x 2 hour Practical (experimental) examination

Followed by a 1 hour written examination

(Booklet B)

SCIENCE DOUBLE AWARD

2 GCSEs, CCEA

Course Content

Year 11:

Biology Unit B1: Cells, Living Processes and Biodiversity (11%)

Chemistry Unit C1: Structures, Trends, Chemical Reactions, Quantitative Chemistry and Analysis (11%)

Physics Unit P1: Motion, Force, Moments, Energy, Density, Kinetic Theory, Radioactivity, Nuclear Fission and Fusion (11%)

Year 12:

Biology Unit B2: Body Systems, Genetics, Microorganisms and Health (14%)

Chemistry Unit C2: Further Chemical Reactions, Rates and Equilibrium, Calculations and Organic Chemistry (14%)

Physics Unit P2: Waves, Light, Electricity, Magnetism, Electromagnetism and Space Physics (14%)

Skills Developed

- Knowledge of the material, physical and living worlds
- Explaining relationships between hypotheses, evidence, theories, and explanations
- Practical, enquiry and problem-solving skills
- Skills in communication, mathematics and the use of technology in scientific contexts

How it is Assessed

Year 11:

3 x 1 hour written examinations.
(Biology, Physics and Chemistry)

Year 12:

1 x 2 hour Practical (experimental) examination

Followed by a 1 hour written examination (Booklet B) for each Biology, Physics and Chemistry

This is assessed externally and is worth 25% of the final grade.

Associated Careers

- Physiotherapy
- Nursing
- Occupational Therapy
- Engineering
- Civil Service
- Technical Support

****Double Award Science provides a good foundation for studying A Level Science.***

APPLIED SCIENCE

OCN LEVEL 2, 1 GCSE

Successful completion of portfolio work in Year 11 may allow pupils to be entered for Extended Certificate (Equivalent to BB at GCSE)

Course Content

Applied Science qualifications will provide learners with the opportunity to develop their:

- Knowledge
- Skills
- Understanding

In a range of key concepts within Biology, Chemistry and Physics and builds upon the Key Stage 3 Science curriculum

Skills Developed

- Communication
- Using Mathematics
- Using ICT
- Self-management
- Working with others
- Problem solving

How it is Assessed

Assessment of this qualification is as follows:

- 100% portfolio: internally marked, externally moderated
- B Grade or Fail

Three units to complete in the Level 2 Certificate in Applied Science

- Physical Processes
- Life Processes and Living things
- Materials and their Chemical Properties

Associated Careers

These qualifications will enable learners to progress to further qualifications in Applied Science at a higher level or to study particular aspects of science in greater depth. They also provide learners with the opportunity to acquire knowledge and skills that would support progression to employment within the Science Technology Engineering and Mathematics (STEM) sector.

****OCN is not a suitable foundation for continuing on to A Level Science but it is valued by employees.***
